“Triumphs and Tragedies: A True Story of Wealth and Addiction”

by **Karl B. McMillen, Jr. & Bill Hayes**

This book explores the down-and-dirty psychology of addiction through live "voices from the street." It probes the essence of enabling and the value of "rehab" neither of which were common concepts in the sixties. It chronicles top-of-the-world success juxtaposed against a downside of life no one should have to abide, a side which proves that some things, money cannot buy.

Event will be moderated by Karl and Carol McMillen, and Moe Gelbart, PhD, Executive Director, Thelma McMillen Center at Torrance Memorial Medical Center

Pick up your **free** book at the SBFC Parent Resource Center at Pages! All books were donated to the South Bay Families Connected community by Karl McMillen.
